BACKGROUND: On October 3, 1995, the San Bernardino County Board of Supervisors approved MOU # 95-902 between San Bernardino City Unified School District and the County of San Bernardino. According to the terms of this non-financial MOU, Eligibility Workers are outstationed at the Lincoln and Emmerton elementary school sites in San Bernardino to enable families to more easily access social services. This multi-collaborative effort was started as part of the Healthy Start Program designed to improve the quality of life, health, and welfare of children and their families by ensuring access to health, mental health, social and other services to enable students to receive and benefit from public education. The MOU was for the period July 1, 1995 through June 30, 1996. Subsequent amendments extended the MOU through June 30, 1999.

Approval of this amendment will extend the period of the MOU from July 1, 1999 through June 30, 2001.

This amendment was delayed pending approval from the School District. Final approval from the School District's Board was granted mid-August.
